Leaf Rubbing

Supplies

Collection of leaves

White paper

Crayons or oil pastels

Steps

1. Collect a variety of leaves from outside
2. Place the leaf with its bottom side facing up
3. Place the sheet of white paper over the leaf
4. Rub the side of a crayon or oil pastel gently on the area over the leaf
5. Make more leaf rubbings using other colors and different leaf shapes
6. Overlap the leaf rubbings to create a stunning picture!
